14. Pen Projection Policy
You have been allocated a pen on the proviso that when the vessel's marina compliance inspection is conducted your vessel conforms with Hillarys Yacht Club's Pen Projection Policy.
Should your vessel not conform with the Pen Projection Policy and in the event that a suitable pen is not available to immediately relocate to, you will be required to seek alternative accommodation outside of club grounds. Relocation within the Club's marina may incur additional rental charges. Alternatively, if penning space is not available within the Club's marina, a pro-rata refund of pen rental will apply.
In this regard, it is imperative that you provide the correct registered and overall vessel length to determine whether your vessel complies with the club's Pen Projection Policy prior to occupying a pen.

15. Declaration

I,
 declare that the information set out herein is true and correct and I hereby agree to be bound by the pens and moorings bylaws, rules and regulations of Hillarys Yacht Club Inc. (copies of which have been provided to me) which I have read, fully understand and will abide by at all times.
