Welcome and encourage new sailors and their families & supporters.

COW ROCK Race 2018

Last Saturday 10 February the Cow Rock Race was again successful with lots of Dinghies sailing amongst a smaller than usual group of anchored yachts and power boats, just off the beach on the north side of Hillarys Boat Harbour. Light winds for the first two races and a fresh sea breeze for the third race, made for varied conditions for both new and experienced sailors. Everyone enjoyed the celebrations afterwards in the wet bar with the spectators from the anchored boats. A very enjoyable day for all.
