Entry Fee:	\$150	
Entry Close:	1700hrs, Monday January 25, 2027	
Additional Details:	The Pot of Gold race to Hillarys commenced in 1994. It was created by the Hillarys Yacht Club as part of a weekend event to encourage Western Australian sailors to compete in a regatta with offshore and inshore fleets on the same day. The regatta has evolved over time with this year's event including the Pot of Gold and Shepherdess Cup races for the offshore fleet and Saturday's escorted Dash for Cash race for the inshore boats. This season's Pot of Gold course 1 will be an around Rottnest race with inshore alternatives if the weather is unsuitable. The Dash for Cash, an escorted Category 6 race for the inshore fleet, is a shorter race along the coast from Fremantle to Hillarys. On Sunday the offshore boats are invited to compete in the Shepherdess Cup from Hillarys back to Fremantle. The Shepherdess Cup presentations will be held at FSC an hour after completion of the race. Presentations for the offshore "Pot of Gold Weekend" honour board, combining the Pot of Gold and Shepherdess Cup results, will be made at the ORWA annual awards night. HYC encourages and welcomes sailors from other clubs to participate and join the presentation and party at HYC Saturday afternoon and evening. Pens will be made available for visiting yachts.
