# MEMBERSHIP BROCHURE & APPLICATION

# About Hillarys Yacht Club

Thank you for your interest in Hillarys Yacht Club.

Formed in 1986, Hillarys Yacht Club resides in the Hillarys Marina overlooking the pristine waters of the Indian Ocean. The Club soon became one of the fastest-growing yacht clubs in WA. With a steady influx of new members, Hillarys Yacht Club (or HYC as we like to call it) is continuously growing and developing, offering plenty on- and off-water activities that create a home away from home as well as a community. The key to getting the most from your membership is very simply, to get involved. The Club has a variety of sections which you may wish to join and offers a range of social events all year round, and there is no limit to how involved you would like to be.

# Mission Statement & Values

## Club Vision

To be the Premier Club on the Coast.

# Boat Facilities

Hillarys Yacht Club has superb facilities for boating enthusiasts with 132 floating pens and 131 fixed pens ranging from 8 metres to 20 metres. Pen options include annual club rentals and long-term leases with subleases.

## Annual Club Rental Pens

Offered for a maximum rental term of one year with an option of renewal. The applicable rate for a pen is comprised of annual pen rental and an annual pen service fee. Rental periods are from 1st May to 30th April. Refunds are not available on pen rental.

## Long-Term Lease Pens

The remainder of an existing long-term lease may be purchased from a Club member. After completing the transfer of the lease, an annual pen service fee and one-off stamp duty and administration fee are also applicable.

## Boat Rack Storage

Hillarys Marina Lifting Services provides fully secured, undercover boat storage in Perth's northern suburbs. We have 90 custom built boat storage racks housing boats up to 27 feet long and your boat can go from rack to water in less than an hour using our specialised lifting equipment. From there, you're straight out into Hillarys Boat Harbour and the open ocean is just a minute away.

## Dinghy Storage

We offer annual storage for different types of dinghies. Join the Junior section and receive a discounted storage rate.

## Kayak & Paddle Board Storage

Hillarys Yacht Club offers storage for kayaks and paddle boards to all members.

**Please contact our Marina & Infrastructure Manager for pen availability or contact our Hillarys Marina Lifting Service Manager for rack storage enquiries.**

# On Water Activities

## Angling

The Angling Section is a friendly, family orientated group of members of varying ages and lifestyles who are actively involved in recreational and competitive fishing, whether it be from a boat or beach.

There are weekly fishing trips, monthly Boat Angling competitions, four Beach Competitions and the open Harbour Classic Competition event. The venues for the Beach Competitions will be decided by the members at the Section Meetings and include a weekend away event to places such as Busselton or Cervantes.

The season runs from July to June, culminating with the annual Angling Presentation Dinner.

All eligible Club members are invited to join in the activities of the Angling Section.

## Cruising in Company

Approximately 50 yachts make up the cruising division. Yachts range in size from 24 feet up to about 45 feet. Most are owned and sailed by couples, but several are sailed single-handed. The cruising division attracts those who enjoy cruising in company with other yachts. Members regularly sail to Rottnest, Mindarie, Garden Island, Fremantle, Mandurah and Quindalup. The Cruising in Company Section holds a "Casual Sail" on the first Saturday of every month which is open to all members and any non-members who have registered for a SailPass.

## Dinghy

The Dinghy Division of the Sailing Section of Hillarys Yacht Club offers enjoyable family and competitive sailing for all ages and experience levels, plus training and coaching on the clear and clean water off Hillarys. We sail types of dinghies that suit juniors, teenagers and adults. Generally, the minimum age is seven years old, but it is dependent on swimming ability. Dinghy racing is held on Saturday mornings during the summer sailing season, extending from October to April, with winter racing from June to August. Races range from Club races through to special regattas.

## Diving

The Dive section is a very active unit of the Club, both in Club activities and our own social activities.

Our dive activities include weekend day trips to Rottnest Island and exploring the Three Mile Reef system off our back doorstep. The section comprises an almost equal number of cray hunters and photographers. We plan a weekend each year at Rottnest for divers and their partners. We also plan an

annual overseas expedition where possible. Previous trips included the Solomon Islands, Manado in Indonesia, Nusa Lembongan in Indonesia, Christmas and Cocos Islands.

At home, we use the Club boat Balaton Jack for most of our dive excursions - hence the ability to provide low-cost diving.

Club activities also include an annual Harbour Clean-Up day where divers retrieve rubbish for disposal from under the Club jetties, yacht marker retrievals and boat weight retrievals, not to mention requests for keys, sunnies and other fallen item rescues.

Socially, we meet for dinner once a month to ensure that divers' partners are included in the section and regularly congregate at the Club.

We welcome new Members, and if you have any queries or would like further information about the Dive Section, please get in touch!

## Keel

30 yachts make up the Keelboat Racing Division, and on average, about 15 yachts compete in any one race. Races are held every Sunday except June until October when races are held every second Sunday. Members from the Keel Racing Section will also go out sailing on Thursday mornings.

With skippers and crew combined, approximately 60 people sail on race days. The fleet is divided into two divisions – those yachts less than 30 feet in length and those 30 feet or longer. Races are initially handicapped according to waterline length and performance. The division has its own race officers who start races and take finish times. Our skippers also compete regularly in Yachting Western Australia offshore races off the metropolitan coast and blue water races to Geraldton, Carnarvon and Bunbury.

The division holds several longer races such as the Mindarie and Return, Fairway Race, Commodore's Cup, Australia Day Race, Mariners and Shepherdess Cups and Marmion Reef Race. HYC also hosts the interclub regatta, the Pot of Gold.

## Paddle

Stay upright on a SUP or kick back in a kayak along with other HYC members in Paddle Division. Regular paddles take place on Saturdays from 2 to 3pm, weather permitting. Meet at The Paddle Shed and launch from the ramp into paddling paradise. Activities include group paddles, fun events, training, demonstrations, dining, making new friends and offsite adventures at other paddle locations. In addition, you can enjoy a solo paddle anytime that suits you. Members are required to have their own SUP or kayak; however, trial paddles can be arranged. Limited storage rack facilities are available for participating members.

## Powerboating

Hillarys Yacht Club has over 150 member powerboats penned at the Club ranging from 8 metres to 20 metres in length. The Power Section organises activities both on and off the water. These include boat handling, trips away, day and weekend cruises and several social activities. The section endeavours to promote the pleasure of boating activities with fun-loving boaties. Make new friends or revisit old acquaintances at our meetings and activities.

# Training

## Your Training Specialists
